

A big black cloud covering the London streets,
Is there no hope?
Racing!

Their hearts pulsating -

Innocent families in Anderson shelters,

SPLASH!
Ocean,

Plummeting stars stand tall over smoke and flames
Plummeting planes hurtle into the sparkling blue
stone,

Ferocious flames burn hopeless buildings to a

CRACK!
Enemy planes form a net over cities,

SCREECH!

BANG!
Bombers' moons fill the sky,

BANG!
